

2009 Runner of the Year Race Schedule

Listed below are the races that will be used for determining the 2009 Bonita Road Runner male and female “Runner of the Year” award.

We’ll be keeping a running tab of standings as race results are completed. This is the third year with this new format and it seems to be working better than previous attempts. We are open to suggestions on fine tuning the selection process.

Winners will be announced at the annual awards banquet. Good luck to all and we wish you PR’s and fast times!!!

Runner of the Year Scoring Methodology:

Points for how you finish in your respective division:

10 pts 1 st	5 pts 6 th
9 pts 2 nd	4 pts 7 th
8 pts 3 rd	3 pts 8 th
7 pts 4 th	2 pts 9 th
6 pts 5 th	1 pts 10 ^{th or lower}

In addition, points are awarded for how runners finish against fellow BRRs in each race. Point scale is same as above for 1st thru 10th.

So for example, you could finish 5th in your division and yet be the first Bonita Road Runner across the finish line, in which case you would get 16 points (6 for your division place, 10 for your BRR finish). Or, you could finish 1st in your division, but 10th BRR across the finish line, in which case you would get 11 points (10 for your division place, 1 for your BRR finish).
